

Letters from Friends

Hi Jeanne and Rob,

The vet appointment went well. We are having so much fun with our new kittens. They are so playful. We played with them literally all day yesterday. I'm sure they were exhausted by bedtime. They are certainly loved. We dedicated a room just for them in our common living area. My husband set up a gate with plexi-glass in the opening to the adjoining room to slowly introduce the dogs to them. If we lay on the ground, still, they will eventually come up to us and cuddle up. Thank you for the time you put in to socialize them. It shows. We are so happy and have already bonded with our new family members. Thank you again for everything. Talk to you soon,

Amanda and James
