

01/13/13

Hello Jeanne,

I just wanted to update you on Sierra. She is doing wonderful and it only took a few days for her to fit right in with the other kitties. She loves to hide anything she can get a hold of and hoard it under the bed. She is a funny, fun loving little girl. I will send some pics soon, just need to download them on my computer.

Hope you are having a great New Year!

Talk soon,

Rhonda
