Hi Jeanne,

I wanted to give you an update on Phoenix. She is doing fine. She has come out of hiding and is a very vocal little girl. We bought a 6 foot kitty condo for the cats and she has been playing on it with all her new toys. We are looking forward to picking up our little boy in February. We already picked out a name for him. His name is Loki. How is he doing? Looking forward to hearing from you.

Thanks,
Tammee
