Hi Guys,

So as you may have guessed from the subject of this email, my son and husband have won and we have named our girl Lacey. She also already has a few nick names too, Lacey-lu, Lazy-Lacey (she napped all afternoon after a long morning of playing hard). She is doing very well! She cried in the car on the way home as expected and boy is she loud haha.. She cuddled with us all night in bed last night and has used her litter box and is eating her food --so all is well. She also wanted to share our dinner, has used the computer (like Rob said) and loves her new toys (as well as her old ones too thanks again).

We love her already! Thank you again. I will send you some pictures as she grows or if she's being particularly mischievous. Feel free to contact us anytime as well.

Take Care,

Tom, Lisa & Payton
