Hello,

Just thought we'd give you an update on "the kids". Got off to a bumpy start (couple of accidents on the floor) but doing very good now.

They seemed to ignore us for the 1st week, playing only with each other. The past few days Luther has really warmed up to me (Kathy) especially. He follows me everywhere while Chloe doesn't quite know about us yet. She watches him and wants to play with us. She will come around. They are lots of fun & sometimes a little bit naughty. Pete is home most afternoons and they entertain him. They have their own room with all their furnishings & have chosen to sleep in their kennel at night. Guess its warm & cozy.

Chloe is getting darker & her spots are very prominent. She's going to be gorgeous! Luther is a little paler in color & appears to be more of the brown. I think he is going to look a lot like Payton.

We will send some pictures if you like.

Kathy
