Hi Jeanne and Rob,

We just had to tell you what an incredible joy this baby is! In fact she is such a love we have decided that we can't call her *Gypsy* (way too much attitude for her) so after researching every name that means love, beauty, perfection and so on we have decided on *Bella* (not to be confused with the twilight vamp ;) as she truly is beautiful from the inside out. We are almost home and I already have so many great pictures. I'll send a bunch when we get home.

Thank you, thank you for providing such a fabulous start for both our feline children, I can't imagine any more perfect babies for us.

Have a great day!

Kate and Tony
