Hello Jeanne and Rob,

Three years ago I adopted two of your beautiful bengal kittens, I added photos so you can see how handsome they have become. I am hoping to expand our little family with another bengal kitten and I had such a wonderful experience with you and Maplewood for Simba and Zhara. I'm wondering what kittens you have available for adoption. I am blown away by how handsome and charismatic these kittens have become, I want to thank you for your help.

My Best Wishes,
Ashley and Chris
