

12/31/09

Happy New Year! Just wanted to update you on Hercules. He's been a happy toilet goer from 6 months old after 3 months of training! That is his relief face every single time. Currently 1 yr 2 months old about 10 lbs which is the same as our Dachshund so its always a fair wrestling match. Hope you, your family and kitties are doing great.

Have a great New Year!

Jen & Ken
